

The LPN to RN transition track is designed for currently employed licensed practical nurses (LPN) to complete accelerated academic coursework in preparation for the NCLEX-RN, the national registered nursing (RN) licensure exam. The track includes three semesters of coursework combined with credit for prior learning. Applicants should have three years of experience as an LPN. Before applying to the LPN to RN –Transition track, students must complete all pre-requisites with a grade of “C” or higher.
