A 2+2 pathway offers students the opportunity to complete the first half of a bachelor's degree program at SLCC. After earning an associate degree at SLCC, students seamlessly transfer to a partnering university to complete the second half of the chosen pathway, leading to their bachelor's degree. This degree plan is an academic planning resource to guide students on a 2+2 path to allow students to complete the Associate of Science in Criminal Justice at SLCC and transfer credit hours applied to the Criminal Justice degree for partial fulfillment of degree requirements for the Bachelor of Arts degree in Criminal Justice at NSU. The college reserves the right to change, modify, or alter this resource without notice. The college strongly encourages students to consult their advisors for questions regarding degree completion.

A grade of "C" or higher is required in all courses.
