	IBC Name: Commercial Driver's License (Class A) CIP CODE: 490205		
	TOTAL Clock Hours	245	
	TOTAL Weeks	7 Day Class 8.5 Evening Class	

Program Description

This program is designed to prepare individuals for employment as a professional commercial truck driver. This training course will instruct students in the operations of diesel-powered tractor trailer rigs, identifying common vehicle components, defensive driving skills, actual driving on rural, urban, and interstate highways, handling cargo, backing, and maneuvering tractor trailers, documentation and verification of loads, logging, and the performance of vehicle inspection. This CDL Class A training program is a comprehensive 245-hour (classroom and behind the wheel) covering the DOT rules and regulations, pre-trip inspection, and over the road skills. In addition, the student will receive courses covering the new Comprehension Safety Analysis (CSA) regulations involving “Hours of Service”, “Defensive Driving” etc.

Program Cost

\$5650.00
