TOTAL DEGREE CREDITS				

A grade of "C" or higher is required in all courses.

This degree plan reflects the curriculum of the former South Central Louisiana Technical College and is in effect for teach-out purposes only.

This version of the INTE program is not accepting students. Students interested in Information Technology should visit the Division of Business, IT, and Workforce for the SLCC program requirements and enrollment options.

NOTES:

¹ A Technical Diploma (TD) in Information Technology requires the completion of the Program Core + One Concentration (Computer Network Specialist, Computer Support Specialist or Network Associate).

This degree plan is an academic planning resource. The applicable edition of the college catalog is the official source for all degree requirements. The college reserves the right to change
