DEGREE NOTES

Transfer information: 2 + 2 Articulation Agreements - SLCC offers various 2+2 programs in this major. 2+2 programs are designed for SLCC graduates who intend to transfer to specific 4-year institutions. Students complete the requirements for their SLCC associate's degree by taking courses that will apply to their major at a specific 4-year institution. Review the transfer agreement section in our college catalog (<http://catalog.solacc.edu>) for copies of our 2+2 degree plans in biology.

This degree plan is an academic planning resource. The applicable edition of the college catalog is the official source for all degree requirements. The college reserves the right to change, modify, or alter this resource without notice. The college strongly encourages students to consult their advisors for questions regarding degree completion.

Scheduling Tips

- Many classes can be taken in **any semester**. This sheet contains a suggested sequence only.
 - Completing English and math early during your college career is helpful. They're often prerequisites for more advanced classes.
 - **Note: Remedial classes** (ENGL 0083, ENGL 0093, MATH 0083, and MATH 0093) do not apply toward your degree plan. If you are placed in a remedial class, this class must be completed IN ADDITION to the 60 credits on your degree plan.
- For **English** classes, use your placement guide to determine where to start:
 - ENGL 0083 OR
 - ENGL 1010 and ENGL 0093 OR
 - ENGL 1010
- For **math** classes, use your placement guide to determine where to start:
 - MATH 0083 OR
 - MATH 1105 AND MATH 0093 OR
 - MATH 1105 OR
 - MATH 2020
- Review your **Louisiana transfer degree plan** for graduation requirements, including minimum grades and course exceptions. Not all courses are applicable to your degree plan.
