TOTAL DEGREE CREDITS				

A 2+2 pathway offers students the opportunity to complete the first half of a bachelor's degree program at SLCC. After earning an associate degree at SLCC, students seamlessly transfer to a partnering university to complete the second half of the chosen pathway, leading to their bachelor's degree. This degree plan is an academic planning resource to guide students on a 2+2 path with an Associate of Science Business at SLCC with the intention to transfer to the University of Louisiana Lafayette for a Bachelor of Science, Business Administration. The college reserves the right to change, modify, or alter this resource without notice. The college strongly encourages students to consult their advisors for questions regarding degree completion.

A grade of "C" or higher is required in all courses.

NOTES:

¹ Students may take ACCT 2101 & 2102 in place of ACCT 2103. Students taking ACCT 2101 may use the course for an elective Credit at SLCC; however, ACCT 2101 does not transfer to ULL. Thus, students will need to take 3 additional hours at either SLCC or ULL to compensate for the credit loss.

² Choose from Fine Arts (ARTS), Music (MUSC) 1010 or 2300, or Theater (THEA) 1010 or 2010

³ Choose from Biology (BIOL [1000 or 1010], [1002 or 1020], 2022, 2032, 2100), Chemistry (CHEM 1030, 1040), Geology (GEOL 1010, 1020), Physics (PHYS 1060, 2070 or 2080). Students should complete two courses in the same science discipline. Labs are not required.

⁴ Choose from Humanities (History (HIST), English (ENGL 2XXX)), Fine Arts (see note 2), Natural/Physical Sciences (see note 3), French (FREN), Spanish (SPAN). Electives should be selected with the assistance of an advisor. ENGL 2070 is recommended for Accounting, Economics, Finance and Marketing Majors.
