A 2+2 pathway offers students the opportunity to complete the first half of a bachelor's degree program at SLCC. After earning an associate degree at SLCC, students seamlessly transfer to a partnering university to complete the second half of the chosen pathway, leading to their bachelor's degree. This degree plan is an academic planning resource to guide students on a 2+2 path with an Associate of Science Louisiana Transfer in Biology at SLCC with the intention to transfer to Nicholls State University for a Bachelor of Science in Biology. The college reserves the right to change, modify, or alter this resource without notice. The college strongly encourages students to consult their advisors for questions regarding degree completion.
