Transfer information: 2 + 2 Articulation Agreements - SLCC offers various 2+2 programs in this major. 2+2 programs are designed for SLCC graduates who intend to transfer to specific 4-year institutions. Students complete the requirements for their SLCC associate's degree by taking courses that will apply to their major at a specific 4-year institution. Review the transfer agreement section in our college catalog (<http://catalog.solacc.edu>) for copies of our 2+2 degree plans in the Associate of Applied Science: Application Software Development.

This degree plan is an academic planning resource. The applicable edition of the college catalog is the official source for all degree requirements. The college reserves the right to change, modify, or alter this resource without notice. The college strongly encourages students to consult their advisors for questions regarding degree completion.
